Application No. 10/551,976

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner informed Applicant's attorney that the compound claims (22-e8) were allowable (i.e. no prior art so found) and that the only amendment needed for these claims was to fix a few comma errors in claim 22. Examiner also informed Applicant's attorney that claims 27-35 were not necessarily allowable as written because of the preamble "an EL device" is very broad as written and could involve complications which she and her art unit are not familiar with. Applicant's attorney and the examiner agreed on cancelling claims 27 and 28 and amending claims 29-35 to read on the composition and to delete the preamble "an EL device."
